

Information on withdrawal from the contract for the provision of services
(information on exercising the right to withdraw from the contract for the provision of services)

The right to withdraw from the contract for the provision of services

Please be advised that you have the right to withdraw from the contract for the provision of services within 14 days without giving any reason. The deadline to withdraw from the contract will expire after 14 days from the date of the contract.

To exercise the right to withdraw from the contract, you must inform ASMEDIO sp.z o.o., ul. Grzybowska 85/217, 00-844 Warsaw, POLAND, e-mail: kontakt@vipwomen.com, about your decision to withdraw from this contract by an unequivocal statement (e.g. a letter sent by post or e-mail). You may use the template withdrawal form, but it is not obligatory.

In order to keep the deadline for withdrawing from the contract, it is enough for you to send information regarding the exercise of your right to withdraw from the contract before the deadline to withdraw from the contract.

Consequences of withdrawal from the contract

In the event of withdrawal from the contract for the provision of a paid service, we will refund all payments received from you immediately, and in any case not later than 14 days from the date on which we were informed about your decision to exercise the right to withdraw from this contract. We will reimburse the payment using the same payment methods that you used in the original transaction, unless you have expressly agreed otherwise; in any event, you will not incur any fees in connection with this return.

If you have not requested the commencement of the provision of services before the deadline to withdraw from the contract, in the case of paid services, you will pay us an amount proportional to the scope of services provided up to the time on which you informed us of your withdrawal from this contract.

Exclusion of the right to withdraw from the contract

The right to withdraw from the Agreement for the provision of services is excluded in the case of full performance of the Agreement, if the Service Recipient has consented to its performance before the deadline for withdrawal from the Agreement and has been informed about the effect of expressing such consent in the form of excluding the right to withdraw from the agreement.
